H&S OVERVIEW / ENGLISH

Volkswagen T7

An ambulance with a raised roof.

Manufacturer photograph. Example conversion and equipment.

BASE VEHICLE

Volkswagen Transporter T7 L2

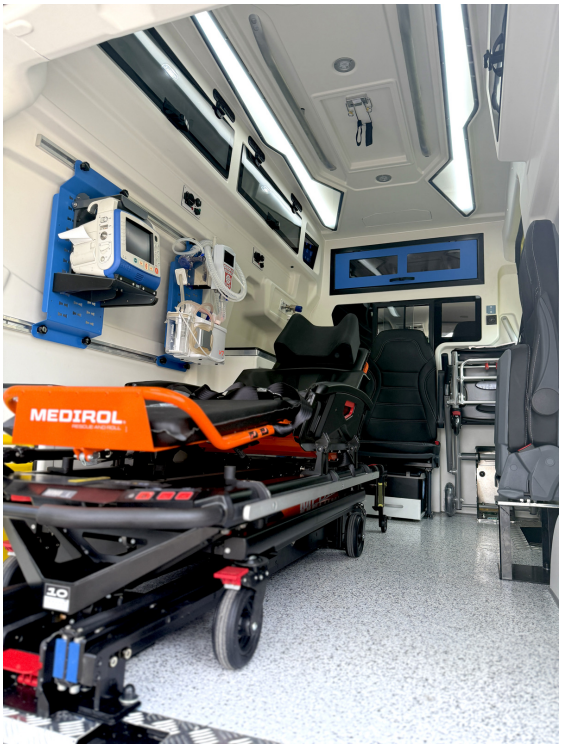

CATALOGUE VARIANTS

Type B / Type A2

The manufacturer catalogue describes Type B and Type A2 variants based on the Volkswagen Transporter T7 L2. The order specification defines the vehicle type, layout and equipment.

Interior and equipment

A raised roof and enlarged side access improve entry to the medical compartment. The layout is selected to meet the requirements of the chosen variant.

Medical compartment viewed from the side entrance.

Rear access and stretcher platform.

Stretcher and staff

Stretcher platform and medical staff seat.

Storage and mounts

Modular cabinets and equipment mounting rails.

Oxygen system

Central oxygen distribution with outlets.

Power and controls

12 V / 230 V systems and central control unit.

Lighting

Integrated LED lighting.

Working environment

Heating, ventilation and air conditioning.

L2 specifications

Figures from the manufacturer's L2 specification, describing the featured version rather than every T7 configuration.
